A winery inside the city

Adega Belém is an urban winery in the city of Lisbon, in the Belém neighbourhood, with a formidable spatial set-up integrating winery and cellar door into a common 120m² space. Our team has a good deal of experience in organizing exclusive events for corporate and private groups.

This may include more intimate and exclusive private cellar tours with tastings and light food or lunch, or larger wine receptions and events for corporate and private clients, with or without catering for up to 76 persons.

Prices with exclusivity

Private tastings with tapas from 48 EUR/PAX, 3-course wine menus from 65 EUR/PAX.

Mediterranean diet

Our external chef cooks delicious Mediterranean food prepared and served in traditional clay pots. 28 people can comfortably sit together at one long table. Other table set-ups allow up to 50 people.

Central location

Our winery is easily accessible by public transport, bicycle, or taxi. Lisbon airport is at 20 min by taxi. Belém monastery and other attractions are at a short 5-minute walk.
